## **BRIDGET**

By Baron B

7 Years, 16hh Homebred Dark Bay Mare

Bridget is out of my hunting cob, she has athletic, well balanced paces and is a comfortable and responsive ride having been schooled on the flat but not competed.

I feel she could make a very decent dressage horse, as well as a good all rounder.

She has hunted a few times and been taken to many sponsored rides and riding holidays, we have also done a number of polocrosse schooling sessions.

I would like to find her a private home with an experienced rider who can realise her full potential, she is sound, genuine, affectionate and a pleasure to own. £3,500
